**ABSTRACT:**

...interface E-Mail Connection (EMC) in order to make email messaging easier for members using Windows 3.1. This front end enables users to address mail by name instead of having to use User ID labels that look like license plate numbers. The Windows-based program features a graphical user interface based on folders and toolbar icons. Users with EMC are able to transfer files as...

...Stone citing a recent Louis Harris poll conducted for Advocates. According to the poll, a decisive 65% majority want their state legislatures to authorize the use of cameras at intersections to take a picture of the license plate of every car that runs a red light, and mail a ticket to the owner.

"Along with speeding, running red lights is one of the most dangerous forms of aggressive driving," said Stone. "Obeying traffic..."
